E-Poster making Competition on
“Say No To Chinese Products”

As an initiative towards welfare of Nation, an awareness campaign is being organized in the institute to sensitize students of BCA towards avoid using Chinese products. The campaign shall take the shape of an e-poster making competition on 4th October in all Computer Labs. The selected posters shall be displayed on website and social media and the winners shall be awarded.

Kindly promote amongst all the students to make this initiative a success.
